2. Overview

2.1 Summary

The identity of a party to a Registry Instrument must have their identity verified in accordance with these Requirements.¹

The *Real Property Act 1886* (the Real Property Act) requires a Representative to verify the identity of their Client in accordance with these Requirements, prior to executing a Registry Instrument on behalf of their Client.²

According to clause 4.1 of these Requirements, in order to verify the identity of their Client in accordance with these Requirements, the Representative must take “reasonable steps” to verify the identity of their Client when their Client signs a Client Authorisation form authorising the Representative to execute the Registry Instrument.

Some Registry Instruments are not executed by a Representative under a Client Authorisation; they are executed by the party to the Registry Instrument (or that party’s attorney). Clause 4.1 of these Requirements requires Representatives to take “reasonable steps” to verify the identity of their Client when their Client executes a Registry Instrument (or to verify the identity of their Client’s attorney if their Client executes through an attorney).

Clause 4.1 also requires a Representative to take “reasonable steps” to verify the identity of their Client when they execute a caveat on behalf of their Client.

Clause 4.1 of these Requirements also requires mortgagees to take “reasonable steps” to verify the identity of mortgagors when a mortgage is entered into, renewed or extended.

Clause 6 of these Requirements sets out a Verification of Identity Standard. Where identity is verified in accordance with the Verification of Identity Standard this will constitute “reasonable steps” for the purpose of clause 4.1 of these Requirements.

Clause 4.8 of these Requirements requires the Representative or mortgagee to retain copies of any evidence supporting verification of identity. Representatives must retain these documents for at least 7 years from the date of lodgement of the Registry Instrument. Mortgagees must retain these documents until they cease to be mortgagee in respect of the mortgage.

Clause 5 of these Requirements sets out the procedure by which self-represented parties must have their identity verified.

2.2 Purpose of these Requirements

These Requirements have been introduced to reduce the risk of land title fraud in South Australia, thereby strengthening the security, certainty and integrity of South Australia’s Torrens land title system.

3 When do these Requirements apply?

These Requirements apply when a Conveyancing Document is executed.

¹ Section 273AA, *Real Property Act 1886*.

² Section 240F, *Real Property Act 1886*.

These Requirements apply to Registry Instruments and Client Authorisations under the Real Property Act. However, they are consistent with the verification of identity rules for National Electronic Conveyancing in South Australia under the *Electronic Conveyancing National Law (South Australia) Act 2013*.

4 Verification of identity by Representatives and mortgagees

4.1 Requirement for Representatives and mortgagees to verify identity

Representatives and mortgagees must take reasonable steps to verify the identity of:

- (a) **Clients:** A Representative must take reasonable steps to verify the identity of their Client or, if the Client is executing through an agent (such as an attorney), that agent.
- (b) **Mortgagors:**
 - (i) If the mortgagor does not have a Representative in their capacity as mortgagor, the mortgagee must take reasonable steps to verify the identity of each mortgagor (or their agent, if the mortgagor is executing through an agent);
 - (ii) Where the Representative is authorised to execute the mortgage on behalf of the mortgagee, the Representative must take reasonable steps to verify the identity of each mortgagor (or their agents). However, the Representative need not take reasonable steps to verify the identity of a mortgagor (or their agent) if the Representative is reasonably satisfied that the mortgagee has taken reasonable steps to verify the identity of that mortgagor (or their agent).

4.2 Method of compliance

For the purposes of complying with clause 4.1 the Representative or mortgagee, can either:

- (a) apply the Verification of Identity Standard; or
- (b) verify the identity of a person in some other way that constitutes the taking of reasonable steps.

4.3 Further checks for identity may be required

The Representative or mortgagee must satisfy themselves that the Person Being Identified and any Identity Declarant is the person they purport to be.

The Representative or mortgagee must undertake further steps to verify the identity of the Person Being Identified or the Identity Declarant where:

- (a) the Representative or mortgagee knows or ought reasonably to know that:
 - (i) any identity document produced by the Person Being Identified and/or any Identity Declarant is not genuine; or
 - (ii) any photograph on an identity document produced by the Person Being Identified and/or any Identity Declarant is not a reasonable likeness of the Person Being Identified or the Identity Declarant; or
 - (iii) the Person Being Identified and/or any Identity Declarant does not appear to be the person to whom the identity document(s) relate; or

- (b) it would otherwise be reasonable to do so.

4.4 Previous verification of identity

The Representative or mortgagee need not re-verify the identity of the Person Being identified if:

- (a) the Representative or mortgagee complied with clause 4.1 in relation to the Person Being Identified within the previous 2 years; and
- (b) the Representative or mortgagee takes reasonable steps to ensure that it is dealing with the Person Being Identified.

4.5 Use of Identity Agent

If the Verification of Identity Standard is used for the purposes of complying with clause 4.1:

- (a) the Representative or mortgagee may use an Identity Agent; and
- (b) where an Identity Agent is used, the Representative or mortgagee must direct the Identity Agent to use the Verification of Identity Standard; and
- (c) the Identity Verifier must be:
 - (i) the Representative and/or the Representative's Identity Agent; or
 - (ii) the mortgagee and/or the mortgagee's Identity Agent; and
- (d) the Representative or the mortgagee must receive from any Identity Agent:
 - (i) copies of the documents produced to verify the identity of the Person Being Identified and any Identity Declarant signed, dated and endorsed as a true copy of the original by the Identity Agent; and
 - (ii) an Identity Agent Certification.

4.6 Compliance with Verification of Identity Standard deemed "reasonable steps"

Subject to clause 4.3, compliance with the Verification of Identity Standard by:

- (a) the Representative and/or its Identity Agent; or
- (b) the mortgagee and/or its Identity Agent;

will be deemed to constitute "taking reasonable steps to verify the identity" of a person for the purposes of complying with clause 4.1 of these Requirements.

4.7 Certification

Under s273 of the Real Property Act:

- (a) Representatives and mortgagees will be required to certify Registry Instruments, to state that they have complied with these Requirements, prior to lodging them in the Lands Titles Office:
 - (i) a Representative will be required to certify that they have taken reasonable steps to verify the identity of their Client;

- (ii) a Representative of a mortgagee will be required to certify that they have taken reasonable steps to verify the identity of the mortgagor or that they are reasonably satisfied that the mortgagee they represent has taken reasonable steps to verify the identity of the mortgagor; and
 - (iii) a self-represented mortgagee will be required to certify that it has taken reasonable steps to verify the identity of the mortgagor.
- (b) The certification is to be made by the Representative even though an Identity Agent has been engaged to undertake the verification of identity on their behalf.
 - (c) The certification on a mortgage is to be made by either the Representative of the mortgagee, or the mortgagee.
 - (d) The certification must be made by a natural person:
 - (i) where the Representative is a body corporate or a partnership the certification must be made by a conveyancer registered under the *Conveyancers Act 1994* (SA), or a legal practitioner under the *Legal Practitioners Act 1981* (SA), who has sufficient personal knowledge to make the certification;³
 - (ii) where the mortgagee is a body corporate, an employee with sufficient personal knowledge would make the certification on its behalf.

4.8 Requirement to retain supporting evidence

Any evidence supporting verification of identity is to be retained:

- (a) by the Representative for at least 7 years from the date of lodgement of the Registry Instrument in the Lands Titles Office;
- (b) by the mortgagee until they cease to be mortgagee in respect of the mortgage.

5 Verification of Identity for self-represented parties

5.1 Requirement to have identity verified

When a Registry Instrument is executed by a self-represented party, and the Registry Instrument is not a mortgage, the self-represented party (or their attorney if they are executing through an attorney), is to have their identity verified in accordance with clauses 6.1 to 6.3 inclusive, and clauses 6.5 and 6.7 of these Requirements. However, the Identity Verifier must be an Authorised Person.

Authorised Persons, who may verify the identity of self-represented parties, are listed at Appendix C.

5.2 Supporting evidence and certification

After the Authorised Person has verified the identity of the self-represented party (or their attorney, if they are executing through an attorney), the self-represented party (or their attorney, if they are executing through an attorney) is to obtain from the Authorised Person:

³ See s240D, *Real Property Act 1886*.

- (a) copies of all documents inspected by the Authorised Person for the purposes of verification of identity, signed, dated and endorsed as a true copy of the original by the Authorised Person; and
- (b) a duly completed certificate in a form consistent with Appendix F.

5.3 Verifying at execution

When the Authorised Person will also be witnessing the execution of the Registry Instrument, the verification of identity is to occur immediately prior to the execution of the Registry Instrument.

5.4 Supporting evidence to be lodged with Registry Instruments

The self-represented party is to ensure that the Registry Instrument is lodged in the Lands Titles Office with the documents listed in clause 5.2 securely attached to it.

6 Verification of Identity Standard

6.1 A face-to-face interview is required

The verification of identity must be conducted during a face-to-face in-person interview between the Identity Verifier and the Person Being Identified.

Verification of identity is to be undertaken by the Person Being Identified producing all the documents in one of the Categories in the table at Appendix B and the Identity Verifier satisfying himself or herself that the documents are authentic and identify that person.

Where documents containing photographs are produced by the Person Being Identified, the Identity Verifier must be satisfied that the person is a reasonable likeness (for example the shape of his or her mouth, nose, eyes and the position of his or her cheek bones) to the person depicted in those photographs.

6.2 Categories of identification documents

The Identity Verifier is to ensure that the Person Being Identified produces original and current documents. However, an expired Australian Passport which has not been cancelled and was current within the preceding 2 years may be produced.

The documents listed in Category 1 in Appendix B must be used where possible to identify a person who is an Australian citizen or resident. If these documents are not available, Category 2 documents are to be used. If these are not available identity is to be verified using Category 3 documents. If these are not available identity is to be verified using Category 4 documents.

Where the requirements of:

- (a) Categories 1 to 4 cannot be met, Category 5(a) may be used; and
- (b) Category 5(a) cannot be met, Category 5(b) may be used.

The documents listed in Category 6(a) are to be used where possible to identify a person who is not an Australian citizen or resident. If these documents are not available, the documents listed in Category 6(b) are to be used.

The Identity Verifier must be reasonably satisfied that a prior Category of documents cannot be provided before using a subsequent Category.

6.3 Identifier Declaration

Where the documents listed in Category 5 are used, an Identifier Declaration is to be provided in accordance with this clause.

The Person Being Identified and the Identity Declarant are to attend the same face-to-face in-person interview as described in clause 6.1 with the Identity Verifier.

The Identity Verifier is to verify the identity of the Identity Declarant in accordance with the Verification of Identity Standard.

However, the Identity Declarant cannot utilise Category 5 documents to prove their identity.

- (a) The Identity Verifier is to undertake reasonable enquiries to satisfy themselves that the Identity Declarant is:
 - (i) an Adult; and
 - (ii) an individual who has known the Person Being Identified for more than 12 months; and

- (b) take reasonable steps to establish who is authorised to sign or witness the affixing of the seal on behalf of the Body Corporate; and
- (c) verify the identity of each individual signing or witnessing the affixing of the seal on behalf of the Body Corporate in accordance with the Verification of Identity Standard as if that individual is themselves a Person Being Identified.

6.5 Individual as attorney

The Identity Verifier is to undertake further steps to verify the identity of the Person Being Identified and/or the Identity Declarant where:

- (a) The Identity Verifier knows or ought reasonably to know that:
 - (i) any identity document produced by the Person Being Identified and/or any Identity Declarant is not genuine; or
