LAND SERVICES SA ACCOUNT Frequently Asked Questions

Below are some Frequently Asked Questions about establishing and maintaining a Land Services SA Account in SAILIS:

What does LSSA and LSG stand for?

‘LSG’ is an acronym for Land Services Group which is run by the South Australian Government (the State).

‘LSSA’ is the acronym for Land Services SA – see our [website](#) for more information about us.

What is an LSSA Account?

A Land Services SA or ‘LSSA’ account allows customers to purchase LSSA products on account and perform standard financial and product transaction searches through SAILIS.

Why do I now have two credit limits?

From June 3rd, 2019 all SAILIS users (including exempt State Government Agencies) will see their standard LSG Account balance and a new Land Services SA (LSSA) Account balance. If you have not set up an LSSA Account, your Credit Limit will be set at \$0.00 and you will not be able to purchase LSSA products in SAILIS.

Why is a separate LSSA Account required?

A separate LSSA account is required as;

- Land Services SA (LSSA) is a separate legal entity from the State’s Land Services Group (LSG)
- Payment of LSSA products / services are made directly to LSSA and not to the State. As a result, alternate payment details are required
- LSSA products attract GST where the State’s LSG products and searches are exempt from GST.

Do I Need a LSSA Account?

No. SAILIS users do not need a LSSA account, however an LSSA account is required should you wish to purchase any of LSSA’s new products or services.

How do I set up an LSSA Account?

To set up an LSSA Account you will need to complete a [Credit and Account Application Form](#) and forward to dataaccess@landservices.com.au. Please call (0) 8423 5094 for any enquiries.

The default credit limit for LSSA accounts is \$2,000 (\$10,000 for Premium Managed Services), however you can request a credit limit increase. To do this, please submit your request in writing to debtors@landservices.com.au. We may require additional information from you to approve a higher credit limit.

Government Organisations

Government organisations who may have a fee exempt LSG account will need to establish a chargeable LSSA Account should they wish to take advantage of LSSA's new products and services.

How do I check my LSSA Account balance?

Your current account balance will be displayed at the top left of the SAILIS screen when you are logged in.

Are LSSA products deducted from my LSG credit balance?

No. LSSA product purchases will be deducted from your LSSA credit balance and LSG product purchases will be deducted from your LSG credit balance.

How has the introduction of LSSA products impacted SAILIS invoicing?

If you do not have an LSSA Account, your invoicing remains unchanged.

If you have an LSSA Account, you will receive two monthly invoices:

1. LSSA products are invoiced on LSSA tax invoices
2. LSG products will continue to be invoiced on State tax invoices and issued by LSSA in its capacity as agent for the State.

How are LSSA invoices received?

To align with the existing approach adopted for LSG invoices, LSSA invoices will be generated monthly or at any time during the month upon request through SAILIS.

Additional Notes:

- LSSA invoices will have an Invoice ID prefixed with a 'U' while LSG invoices will continue to retain a prefix of 'P'.
- Premium Managed Service transactions will also be invoiced through SAILIS.

What are LSSA invoice payment options?

Currently, LSSA invoices can only be paid via EFT (Electronic Funds Transfer) and **NOT** through SAILIS. You will notice that the payment button is removed for LSSA invoice types. State LSG invoices can still be paid through SAILIS using a payment card.

IMPORTANT: LSSA EFT payment Bank details are different to LSG

Please send LSSA remittance advice to debtors@landservices.com.au

How will overdue LSSA invoices be managed?

As with LSG Accounts, a reminder letter will be generated for overdue accounts. Failure to make timely payment of an LSSA Account may result in your Account being locked. Please contact us at the earliest convenience if you feel you will be unable to pay your account by the due date.

Enquiries regarding overdue/locked LSSA accounts should be directed to debtors@landservices.com.au

Should you have an LSG and LSSA account and one is locked due to late/nonpayment, the other will also be locked regardless of balance until payment of overdue fees have been paid.
