

Product Brochure

Land Services SA deliver highly valued, trusted services to the community and offer a range of property transaction and valuation services, property information product, custom data sets and reliable market insights.

landservices.com.au

Land Services SA deliver a range of land information products through the South Australian Integrated Land Information System (SAILIS).

These land information products provide up to date information about land and property in South Australia and can be used for various purposes such as:

- ✓ Preparing certain property transactions such as transferring ownership of a property or changing the name on a Certificate of Title
- ✓ Searching the ownership, sales or valuation details for a property
- ✓ Searching historical property information
- ✓ Obtaining copies for Certificates of Title
- ✓ Tracking the progress of a lodged dealing or plan of subdivision
- ✓ Creating a title watch subscription

How to access SAILIS

Go to: www.sailis.sa.gov.au

SAILIS is available to Account Customers and Guest Users. Account Customers have access to a large suite of products, while Guests Users' have restricted access for some products.

Apply for a SAILIS Account:

LAND SERVICES SA SERVICES

Historical Valuation Searching

Land Services SA holds historical valuation data for the period from 1976 to 2016. This information can be used to determine the property value at a point in time and is often used for research when dealing with matrimonial property settlements, capital gains tax matters and general historical valuation enquiries. Clients seeking historical valuation information should contact Customer Services for further information.

Title Watch

Title Watch is an online subscription service that monitors activity against a selected certificate of title. When activity is detected, a subscriber will automatically receive an email and an optional SMS alert. Activities that trigger notifications include:

- Purchase of a Property Interest Report or Form 1 product
- Lodgement of a Priority Notice
- Lodgement of a Document
- Cancellation of a Title

If you would like to know more about this services, please visit:
www.landservices.com.au

Custom Data Requests

See our new SA Property Landscape Report!

Custom or bulk data products can be compiled using data from the land information systems database.

For further information please email Land Services SA at:

E: dataaccess@landservices.com.au

Premium Managed Service

The Premium Managed Service provides a faster way to process plans, register dealings and create titles, delivering significant efficiencies to your business.

Through the service, a Client Liaison Officer from our specialist team will work with lodging parties one-on-one to pre-examine plans and dealings, ensuring quick, first-time acceptance once they are lodged.
