

Industry Education Webinar Series 2024

Land Services SA is committed to supporting the property industry to ensure the highest quality services are delivered to the South Australian community.

One way that LSSA demonstrates this commitment is through Industry Education. Each month, LSSA will be holding a 30-minute educational webinar that is tailored to Property Industry Professionals.

CPD Points will be available for AICSA members who register and attend these events live.

Below is a full list of Webinar Topics for 2024. To register to attend one of these webinars, please visit: www.landservices.com.au/industry-education-hub
